

Live the Dream

*Blood donations help
save lives every day.*

Imagine what your donation could do.

*Donate in memory
of Jordan Jones
& others who have
sickle cell disease.*

*Jordan Jones
1992-2016*

DID YOU KNOW?

People with **sickle cell**  disease often need ongoing blood transfusions to live. It can take hundreds of blood donations a year for one patient.

Ethnic minorities have unique blood types and often require matches that can only be found from donors of a similar ethnic background.

Participating Partners:

- Be the Match
- Buckeye Physical Medicine & Rehab
- LULAC
- Everest Institute
- Meijer
- Nationwide Children's Hospital
- Simakovsky Immigration Attorneys

Participating Churches:

- Refuge Missionary Baptist Church
- Worship Center of Central Ohio
